

Juneau Utilities is pleased to announce a new limited time incentive to help you get those efficiency improvement projects done this year!

202 ENHANCED INCENTIVE OFFER

- 100% match of Focus On Energy incentives, up to \$300, for electric efficiency improvement measures; for example LED lighting and HVAC
- Combined incentives cannot exceed 60% of the project cost
- Available incentives are first come, first served while funding lasts
- Limited to \$300 per customer
- Available for projects started now through 12/31/2023, while funding lasts
- Can be combined with Shared Savings loans

You can find more incentive information at focusonenergy.com

Please visit our website at juneauutility.com for other valuable information.

Please contact me with any questions. Let me know in advance if you are interested in moving ahead with a project so I can reserve an incentive.
